

Eligibility Details

Requirements to Enter?

The winner must have completed 3 step requirements listed below:

- Like our Facebook Page
- Follow Our Instagram
- Comment on our Facebook post " What would you use the Metal Building for if you won it? "

Must be in our Texas service area.

Allow us to record the process.

The property and permitting regulations must allow metal building construction.

Ready to start the process as soon as possible or 2 months after the giveaway is announced.

Giveaway ends **Friday, March 20, 2026**.

The prize may be gifted or transferred, as long as the recipient is located within WolfSteel's select Texas service area and meets all giveaway requirements.

Recording the build process is required. You do not have to be on camera, but if you want to be... ACTION! We'd love to capture the build through your eyes.

Prize

https://calculator.wolfsteelbuildings.com/?link_id=13415&generated=true

- 30x40x12 Tubular Building 3/12 Roof Pitch (14G)
- All Vertical Metal Building
- 1 -12' x 12' Non Insulated Residential Overhead Door (front)
- 1 Steel Door
- 4 Windows
- Concrete + \$2,000 Site Prep Credit
- Gutter and Downspouts
- Site Plan Included!

Building and Concrete will be built in accordance with all current WSB standards at the time of installation of building. By participating you are agreeing to our terms and conditions of the giveaway.

The winner may choose to receive either:

The metal building package listed or credit equal to the prize value.

The credit is available **only if** the winner is an active WolfSteel customer with a building project in progress or installed. If the winner purchases from another company, **the credit option is not available** and the prize reverts to the **building package only**.

Eligibility Details

The prize is non-refundable and may not be redeemed for cash. Only WSB clients may redeem for cash or credit.

Additional Details

The winner can choose colors from WolfSteel's standard color selection.

Any additional upgrades or add-ons must be paid for by the client. Add-ons include, but are not limited to:

- Dimension changes
- Changes to Red Iron Product Type
- Wainscotting
- Insulation Options
- Lean-tos
- Colored doors
- Cedar posts
- Masonry

Building must be for utility use only.

The winner is responsible for any applicable taxes. A 1099 may be issued.

Potential Fees Not Included:

- Full Site preparation cost
- Permit fees
- Surveys, soil tests, or engineering if required by your permitting.
- Electrical, plumbing, HVAC, or interior build-out

Why is Site Preparation not included?

We are unable to properly quote you to prepare your site until we see your site. We must go out there to analyze the site. The specific steps involved in the preparation can vary depending on the site level, accessibility, soil type, and the local regulations. The giveaway includes \$2,000 credit to help with this cost! Additional cost must be paid by the winner.
